

*Premier Source for  
Circuit Breakers, Switchgear and  
Associated Components  
New, Used and Rebuilt*

*We promise quality components with a quick response time  
and fair, competitive pricing.*

**Breakers**

**600V Class**

- GE type AK, AKR
- Westinghouse type DB, DS
- ABB type K-Line
- Siemens type LA, RL
- Square D type DS

**5kV and 15kV Class**

- GE type AM, VB
- Westinghouse type DH, DHP, VCP
- ABB type HK, VHK
- Siemens type MA, FC, FSV, FCV
- Square D type DSE

**Starters and Contactors**

- GE LimitAmp, IC
- Westinghouse AmpGuard, LF
- Siemens 456D

**Switchgear**

- Indoor and Outdoor Structures
- Outdoor Walk-In
- Racking Mechanisms
- Disconnect Bottles
- Doors & Relay Panels
- Cell Structures
- Insulators

**Components**

- Trip & Close Coils
- Arc Chutes
- Operating Mechanisms
- Box Barriers
- Closing/Opening Springs
- Frames
- Puffer Tubes and Assemblies
- Contacts and Assemblies

# Power Transformers

RB Sales stands ready to provide new and refurbished transformers and associated components, even during emergency situations. The switchgear experts of RB Sales have access to an inventory of transformers to help clients during critical situations, ranging from temporary rental units to help keep systems on line during engineering and procurement, as well as provide expert support to help engineer, specify, procure, install and commission permanent solutions.

- ◆ Switchgear Dry-Type
- ◆ Substation Class Units
- ◆ Pad-Mount Distribution Class
- ◆ Rapid Response Emergency Mobilization
- ◆ Rental Units Available

## Ratings Available:

- Low and Medium Voltage 480V thru 38kV
- High Voltage thru 138kV

## Sizes Available:

- 500 kVA thru 6 MVA Switchgear Dry and Cast Coil
- Thru 2500 kVA Pad-Mount, Oil-Filled
- 1500 kVA thru 45 MVA Substation Oil-Filled

## Associated Components

- ◆ Bushings
- ◆ LTC's
- ◆ Pumps
- ◆ Radiators
- ◆ Neutral Grounding Resistors
